

Want to **EXPLODE** a pumpkin?
Enjoy **FUN**, hands-on club meetings?
Try out **CAREERS**?

The SET club has fun for all ages 9-18.

Join us **Thursday, September 24** from 6:30 – 7:30 pm at
Lamar Dixon for our first meeting.

Upcoming Meeting Themes

September: Robotics, Lego Mindstorms, New! Ascension FLL Team. Join Now!

October: Spooky Science, Exploding Pumpkins Experiment, Pumpkin Carving Contest

November: Kitchen Chemistry, Cabbage Juice Experiment, Cookie Contest

For more information, contact Katina Hester at daisedkat@gmail.com, 225-362-0848.

Visit our Web site at:

2009-2010 Club Meeting Activities and Supply List

Each member **must** bring the supplies listed to participate at each meeting.

September: Robotics

Club Kick Off!

Officer applications.

Supplies to bring

\$10 club fee to cover project book and parish/state dues, if not a member of a school club.

Visit <http://www.usfirst.org/what/fll/> for more information on FLL Robotics.

October: Spooky Science

Supplies to bring

Bring 1 carving pumpkin and a carving knife. Safety goggles if you have them.

Decorate a pumpkin contest

We will be carving pumpkins instead. Bring pumpkins uncarved!

November: Kitchen Chemistry

Supplies to bring

\$1 supply fee, 1 teaspoon measure, 1 cup baking soda, 2 cups each of 2 different liquids of your choice (lemon juice, vinegar, cola, juice, Gatorade, etc...). Try to bring 1 acid and base. Not sure what's an acid and what's a base? Check out the PBS Virtual Kitchen for clues at:

<http://pbskids.org/zoom/games/kitchenchemistry/virtual-start.html>

Decorate a cookie contest

Theme: Go Green! Let your cookie tell a story about helping the environment.

Other planned monthly themes include: Animal Science, Corn Starch Suspension "Walk on Water", Rocketry and much more!!!
