Home Showcases

Homes in recovery — from partially to fully restored or rebuilt.

Red minibus route

- A1** Pair of homes at Vicksburg and Bragg. One under construction with garage under living area. The other is one of the first restorations post-Katrina. Featured in Washington Post & Chicago Tribune newspapers. Shown by LSU AgCenter and Waring Builders.
- A2** Canal Blvd at Porteous. Raised wood floor house sponsored and shown by RaisedFloorLiving.com.
- A3** Filmore Avenue, between Memphis and Vicksburg. Unique new construction with house connected to above-grade pilings. Shown by Insight Builders.
- A4** Avenue B near 34th Street. Home elevated with slab; restoration complete. Shown by Davie Shoring.
- A5** Avenue B near 38th Street. Elevated concrete house built of concrete panels from a New Orleans factory. Shown by Hanson Inc.

Blue minibus route

- B1** General Diaz near Bragg. Elevation in progress using wooden cribbing and steel beams. Shown by Orleans Shoring.
- B2** Tent: **Practical Green Presentations.** House: Milne near Harrison. Modern design elevated home shown by Bid Design LLC and Tulane City Center.
- B3** 16th Street ½ block off Pontchartrain. Duplex raised using slab separation technique. Shown by Rubion Construction.
- B4** Pontchartrain at 12th Street model home built with Structural Insulated Panel system on four-foot solid concrete foundation. Shown by PAR Contractors.
- B4** Polk, between Vicksburg and Memphis. Two homes and exhibit. Polk at Vicksburg: a restored home elevated on concrete piers shown by Orleans Shoring. Memphis at Polk: new construction featuring K+2 elevated foundation and the Smart Vent exhibit.

Exhibitors

- Atlantic Shutters (and flood barriers)
- Smart Vent (flood vents)
- Advanced Utility Vehicle (flood fight and recovery)
- FEMA
- DOTD–Floodplain Management
- RaisedFloorLiving.com
- LSU Hurricane Center – Wind Tower
- U.S. Flood Control

Minibus transportation available. Hop on or off at the depot or any stop.

Go carefully.

Gulf Coast Bank Trolley runs up and down Harrison.

We appreciate the homeowners of Lakeview welcoming us into their community. Inclusion of a home, contractor, or product in the Expo is not an endorsement by the organizers, partners or sponsors.
