

ST. HELENA PARISH  
LIVESTOCK ADVISORY COMMITTEE MEETING

September 25, 2007

Present: David Watson, Beth Karl, Roddy Karl, Sonni Karl, Sefen Givens

The committee discussed our yearly sweet potato sale. All agreed to have the sale as usual. Sonni will make the necessary contacts and get prices. Flyers for the sweet potato sale will be printed and distributed.

The parish livestock show was discussed. There will be a Cloverbud class this year. It was agreed to have a hay scramble for the Cloverbuds again because it was enjoyed last year. Location and show dates were discussed. It was decided to have the show at the Forest Festival grounds on January 19, 2008. Sign-up time will be 9:30 a.m. with the show to begin at 10:00 a.m. If this date is a rainout, we will have the show at the Florida Parishes Arena on January 26, 2008, at 4:00 p.m.

We talked about giving item awards instead of cash awards this year. David prefers giving an item that can be used and can remain over the years versus cash which is gone so quickly. All were in favor of giving awards that are not cash awards for our 2008 show.

Stefen mentioned livestock show jackets for second-year exhibitors who have not received these yet. The committee agreed to the purchase of these jackets.

General discussion was had on the subject of qualified judges for our parish show. Stefen will look into finding our judges.

Getting donations from local businesses will be discussed at our next meeting.

Beth suggested having a coloring contest at this year's livestock show again. All agreed this would be good. Beth will coordinate the contest. It will be for our Cloverbuds.

Our next meeting was set for November 5, 2007 at 7:00 p.m.

A motion was made by David to adjourn the meeting.
