

Rule, Regulations and General Information
Lamar Dixon Expo Center

RELATIVE TO RV PARKING

If you are handicapped and need to bring additional transportation i.e. golf cart - four wheeler, please let us know in advance. We will issue passes for your transportation but, you must understand, no one except the handicapped individual is allowed to drive this vehicle. Any vehicle found to be driven by anyone other than the handicapped individual will be confiscated by Lamar-Dixon and will not be released until the end of the show. RV Spot deposits are non-refundable.

RV sites will be checked daily as far as the number of days paid for and parking status, if you intend to stay over additional nights, please see Stephanie, otherwise, power will be cut off by 3 p.m. on the last day of your reservation.

ADDITIONAL RULES

NO skateboards, skates, bicycles, scooters, rollerblades, four wheelers or golf carts are allowed on the facility grounds, with the exception of handicapped individuals with permission from Lamar-Dixon. This is for everyone's safety. We are a large facility and will allow people to drive around the outer circle in their vehicles. Exhibitors will be crossing these traffic lanes to get to the different buildings. Lamar-Dixon does not want anyone to get hurt.

No smoking in any of the buildings.

No panels in the cattle barns can be removed, the panels are stabilized as they are and cannot be removed. If you need help, please contact LDEC personnel.

Generators will be allowed to be brought into C Arena, in case of inclement weather, cattle may be brought into C Arena and groomed in that area. B & D Arenas feed from C Arena, so the cattle would not be in the weather, if it rains. The generators will only be allowed in C Arena if the weather is bad.

All animal species must stay in their general housing area; no animals are to be led all over the property. We will have each area fenced to provide safety for exhibitors and animals. No animals in the RV area.
